**Sub. : International Summer University - 2013**

Dear Sir,

The first International Summer University, ISU – 2013, conducted by MDI concluded successfully on 8<sup>th</sup> June 2013.

This would not have been possible without your unstinted support, and that of the Dean and Director of the Management Education at your university.

Prof. Mukul Gupta, Director, MDI joins me in thanking you, Dr. A. M. Shah and Prof. Shabir Ahmad Bhat, and solicit your support for future editions of the International Summer University.

The faculty that came in from the overseas universities was enthused with the interest demonstrated by the students and their course end performance.

We are now working on the preparations for ISU – 2014 and hope to make it an even greater resounding success. We expect to offer a larger bouquet of courses and achieve a wider participation from Indian and overseas students.

The transcripts of the grades are being readied and will be sent to your university shortly.

Thank you once again.

Yours truly,

  
**J N GODINHO**
