Advertisement for Project Associate

A full time Project Associate is required for a research project entitled “**Workplace Sexual Harassment: A Comprehensive Analyses of Health Care Sector**” anchored at The Business School, University of Kashmir. The project is funded by Indian Council of Medical Research (ICMR). As part of the team, the Project Associate will contribute towards research and compilation of the research report. The report will analyse workplace sexual harassment related to female professionals in tertiary health care sector. Although the job is based in Kashmir, it involves extensive travel to meet key people, conduct interviews and collate information and data from tertiary health care institutes across the country like AIIMS, PGIMER, JIPMER, CMC, AFMC, LHMC etc. Besides, the Project Associate is also expected to assist in the analyses of data, to monitor protocols, and to coordinate and contribute towards the development and timely completion of activities related to the project report.

Required Qualification and skills:

- A Master’s degree in any of the Social Science or related areas.
- Excellent computer skills.

Desirable:

Experience in one/more of the following will be given preference

- academic experience in research (qualitative and quantitative) on women’s issues including research report writing/co-authoring, or leading a research study.
- work experience on issues related to gender/violence against women/ sexuality/ in NGO or governmental/quasi-academic/multi or bi-lateral agency settings.
- research project coordination and budget management experience.
- self-motivated and willing to work under moderate supervision with multi-disciplinary groups of individuals.

Salary:

Consolidated Rs16, 000 per month +HRA (Rs 20,000 approx.) and other benefits like TA/DA etc.

Period :

Initially one year; but extendable to second year on satisfactory performance in the previous year.

Last day for receipt of applications is 15th of March, 2015. The applicant should submit (a) Curriculum vitae/resume with name and address of two referees, and (b) a statement of purpose (a one page outline explaining the reasons and motivation for joining the project, besides a short paragraph that sums up your previous research experience and skills).

The application should be preferably sent via e-mail to icmr_project@uok.edu.in, or to the office of the **Director, The Business School, University of Kashmir, Srinagar**.

Interview: Third week of **March, 2015**.
